Product Discontinuation Notification

As Kallastra is evolving its product line to meet RoHS directives, the list of products in the table below will be discontinued. All part numbers will be phased out to be replaced by their equivalent RoHS compliant part numbers. Please review this list for product descriptions and part numbers covered under this notification.

Last Time Purchase Offer:

Kallastra will continue to produce the products on the list below based upon minimum lot sizes, component availability, and manufacturing lead times until the last date of delivery as indicated. Any customer wishing to take advantage of a last-time purchase opportunity must submit a non-cancelable, non-returnable purchase order to Kallastra no later than the indicated last date of order. Delivery of all discontinued products will occur no later than the indicated last date of delivery. Kallastra will not accept POs for products listed as discontinued after the last date of order.

Terms and Conditions:

Terms and Conditions apply as per Kallastra's standard Sales Terms and Conditions.

Replacement Information:

Please refer to the list of suggested replacement products below. For questions about orders, delivery dates, RoHS compliant parts availability or any additional product information, please contact your sales representative.

List of Keytrunk product being discontinued:

Product Discontinuation Notification:	October 31st, 2006
Last Order Date:	April 30 th , 2007
Last Ship Date:	July 31 st , 2007

Affected parts	Description		RoHS parts	Description
KT301-MC	256 ch., PCI, H100, Trunking	→	KT301-MCE	256 ch., PCI, H100, Trunking
